President’s Report
-Members not in good standing (money owed)
- Goals for this semester:
  * Fund-raise-750!
  * 1 Social Event
  * 2 Professional Development Events
-By-law that were passed:
  In March, the reigning president of the organization will place a call for nominations to be placed on the ballot at the last business meeting in April. Such nominations can be given at any time up until the elections club meeting. 4. Elections shall occur at the last meeting in April. Elections of officers shall be by secret ballot. A majority vote in each position shall elect.

If approved, any member of the PEM Club in good standing (see Article V-2 above) may be reimbursed up to $200 for attending the Society for Health and Physical Educators (SHAPE) America district and/or national conference. Reimbursable expenses include conference registration fees, exact gas costs if driving (not mileage), rental car, food, airfare, and/or accommodation expenses. Whether funds will be provided and the exact amount must be approved and voted upon by the club in advance and the treasurer must provide information on the current available club funds so that an informed vote may be taken. Reimbursement will only be given for items with a receipt given to the club treasurer (not to exceed the previously voted upon approved amount).
