**Other/Announcements:**

Attendance to meetings has been kind of an issue, so please bring your PEM friends to the meetings. It is important for everyone to know that you will not benefit from any of the money made from fundraisers if you do not come to them. We are in the midst of coming up with a new by-law to hold people accountable for missing meetings. Let us know what you think will be a good by-law to have, we want your opinions.
